

## City of a Hundred Spires Symposium

XXXVIII. SUMMER SYMPOSIUM IN REAL ANALYSIS

Dear Colleague,

It is our pleasure to inform you that the

### **XXXVIII Summer Symposium in Real Analysis**

will take place from **July 7 till July 13, 2014** in **Prague** (Czech Republic).

The main topics are the following:

- Theory of Real Functions
- Geometric Measure Theory
- Descriptive Set Theory
- Banach Spaces
- Dynamical Systems

Main speakers are:

- Pandelis Dodos, University of Athens
- Kenneth Falconer, University of St Andrews
- Étienne Matheron, Université d'Artois
- Jörg Schmeling, Lunds Universitet

The fee is:

- CZK 9500 (roughly \$475 or EUR350) if paid before Sunday, April 13, 2014 (by bank transfer)
- CZK 11000 (roughly \$550 or EUR410) if paid on or after Sunday, April 1, 2014 (by bank transfer or on site at your arrival)

The registration will open on January 3, 2014.

See the web page <http://raex2014.fsv.cvut.cz>.

Looking forward to meeting you

Ondrej Zindulka and Miroslav Zeleny
